

Established 1960

Dear Dealer;

This is the information you requested regarding The Del Mar Antique Show:

- Booth sizes start at 10-1/2 x 10 and increase in 2' increments. Booth prices start at \$425 for a 10-1/2 x 10 and increase at a rate of \$20 per foot from that point depending on size and location thereby giving an automatic discount for larger booths (A double booth is \$600; corners or walls add \$25-\$50 each depending on location). Pipe & Drape is provided behind all center booths and is included at no additional charge; pipe & drape for the sides of the booth are \$25 per side; pipe & drape for the back of wall booths are \$2.50 per foot.
- You may bring your own tables, or rent them through us at \$15 per table. We have tables available in 4', 6', and 8' lengths.
- Security badges for the show are \$2 per badge.
- Show insurance is \$15 per booth and covers you for \$1,000,000 in liability.
- If you need electricity for your booth, the charge for electrical hookups is \$55 per 500 watts. I always recommend that dealers provide lighting for their booths as the lighting in the building is adequate but usually not bright enough to do justice to your merchandise.
- Showcases and Wallboard/Pegboard are available thru R & R Showcase Rental at 213-622-9450.
- Safes are available through Atlas Safe at 800-300-3717

Please complete the application and return it to my attention as soon as possible. Make sure that your \$200 deposit check accompanies the application or that you put your credit card information on the application; the balance will be collected on move-in day of the show. Should you have any questions, please feel free to call or email me.

Sincerely,

Michael Grimes
